

PLOT PLAN SURVEY of Property comprising Lots 5 and 6 of Block 12 of Meadow View Addition to the City of Bridgeport, Morrill County, Nebraska.

Address:- 1218 "T" Street, Bridgeport, NE 69336
 Owners (Barrower) Steven R. Deines, and Terri L. Deines.

This is to report that I have surveyed this property, comprising Lots 5 and 6 of Block 12, Meadow View Addition to the City of Bridgeport, Nebraska, and to show Improvement location, and that this plat is a correct delineation of said survey, drawn to the scale of 40 feet to the inch. Telephone riser box at the southwest property corner encroaches slightly, and in the installation seems to have removed the corner marker pipe. The City of Bridgeport has been saying that properties have to be on one lot, that building cannot cross a lot line, and call for replatting. This does not make sense to me, and maybe they confuse lot line for property line.

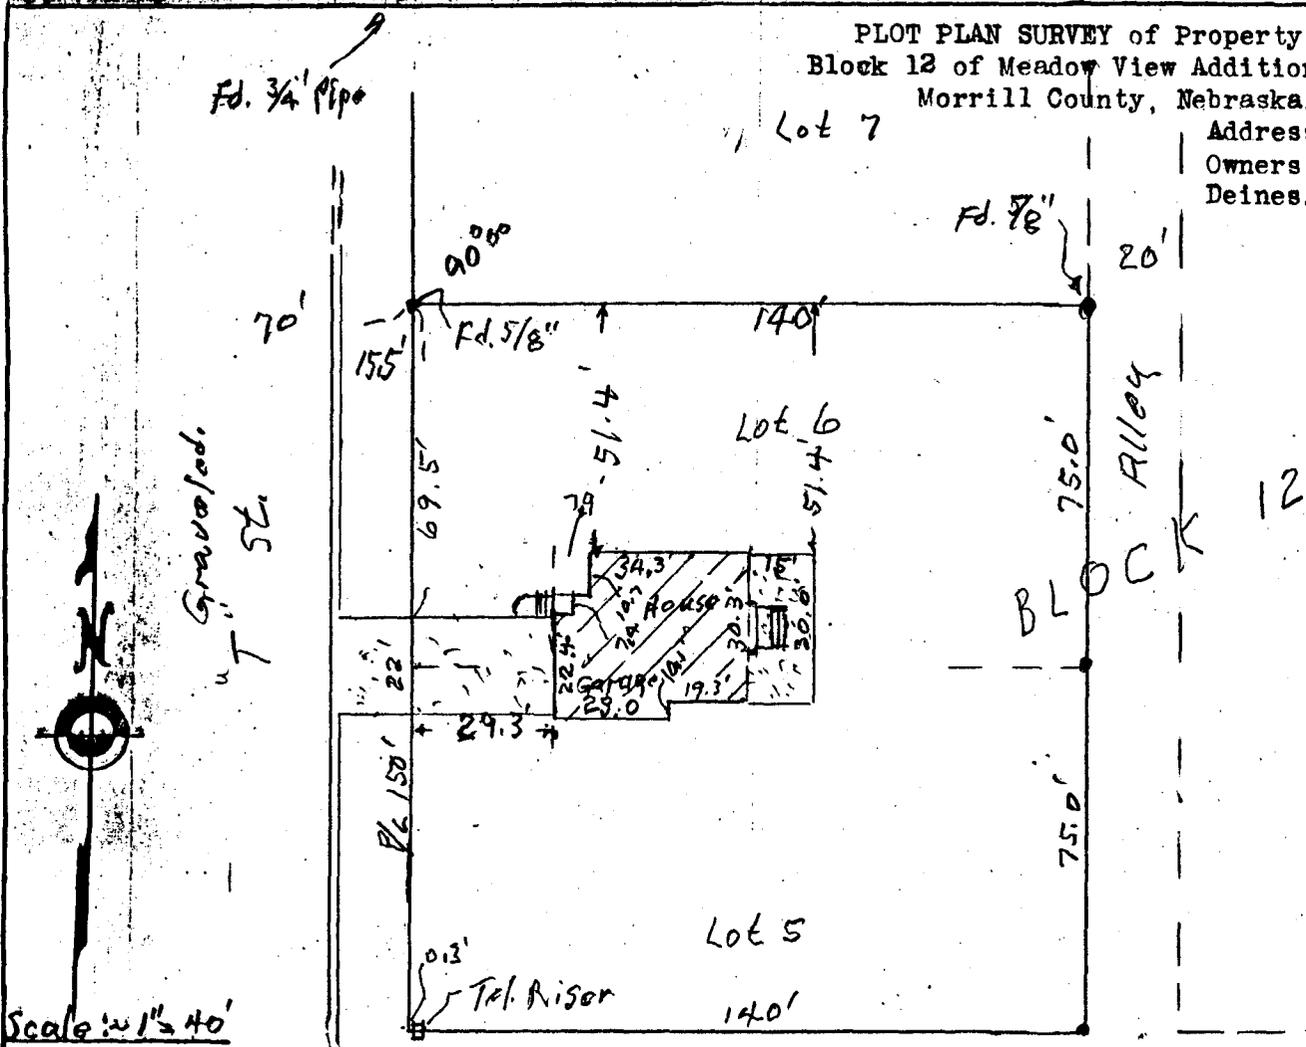

WITNESS my hand this 28th day of February, 2001.
