

A survey of Lots 13-18, Block 12 of the Original Town of Champion, Chase County, Nebraska

and

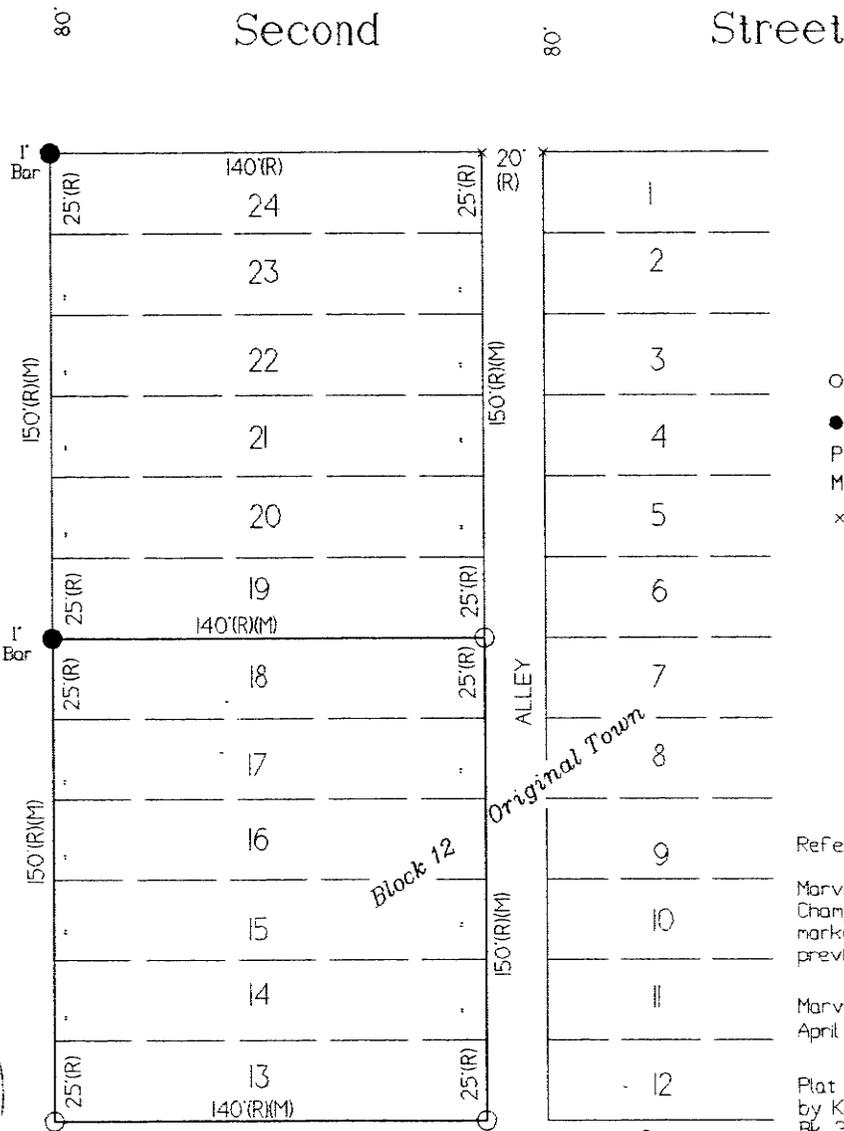

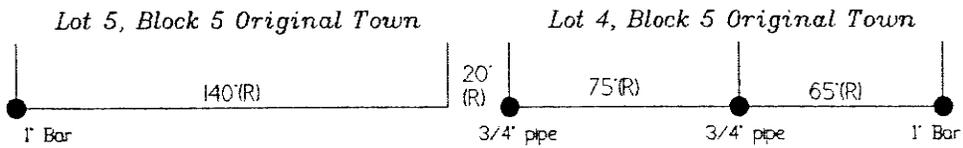

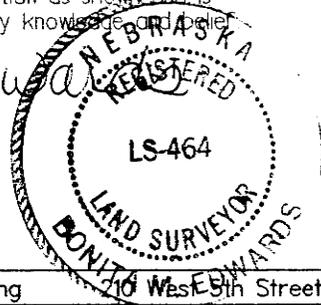

Vacated Lot 5, Block 24, West Addition to Champion, Chase County, Nebraska

NOTE: Met with Marvin Athey, former Chase County Surveyor, who pointed out corners he is familiar with in Champion. Used the corners that he showed us on Block 24, West Addition, however they do not seem to be in alignment with the corners in Block 12, Original Town. Found corners have been used and accepted and improvements built using the found corners for many years.

A survey was made under my direction as shown and is true and correct to the best of my knowledge and belief.
